Messaġġ mill-Ministru għall-Edukazzjoni u l-Isport

Nemmen li l-edukazzjoni hija l-pedament ta' soċjetà b'saħħitha, inkluziva u mibnija fuq l-opportunitajiet. Hekk kif bdejt naqdi r-responsabbiltà tiegħi bħala Ministru għall-Edukazzjoni u l-Isport, qed ingedded l-impenn tiegħi sabiex inkomplu nsaħħu sistema edukattiva li tagħti lil kull persuna l-għarfien, il-ħiliet u l-opportunitajiet meħtieġa biex tikber, tirnexxi u tilhaq l-aspirazzjonijiet tagħha. F' dinja li qed tinbidel il-ħin kollhu, huwa ta' sodisfazzjon għalija li nipprezenta dan il-Prospett tal-Korsijiet offruti mid-Direttorat għat-Tagħlim Tul il-Ħajja u l-Impjegabbiltà għas-sena akkademika 2026/27. Din il-firxa ta' korsijiet ġiet imfassla b'attenzjoni sabiex tkegġeg it-tagħlim kontinwu f'kull fażi tal-ħajja adulta.

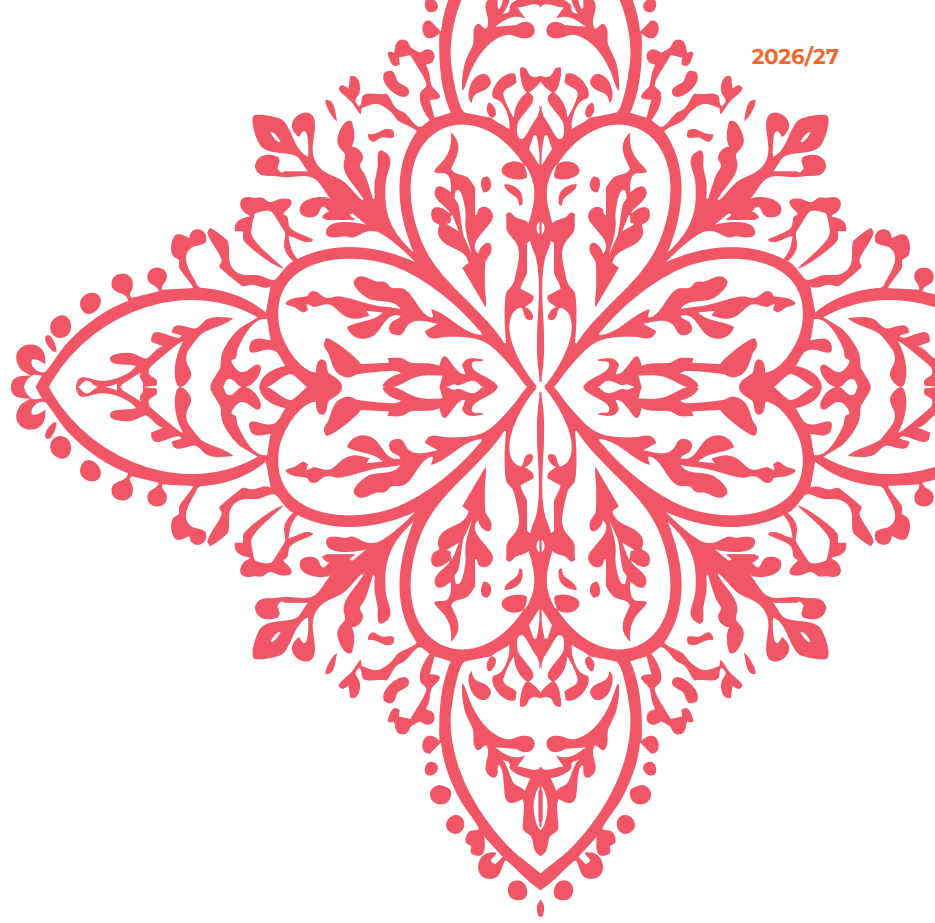

Filwaqt li nkomplu nibnu fuq din il-viżjoni, nibqgħu impenjati li nsaħħu l-pedamenti stabbiliti mill-Istrateġija Nazzjonali għat-Tagħlim Tul il-Ħajja 2023–2030. Immexxija minn din l-istrateġija, se nkomplu nrawmu kultura ta' tagħlim tul il-ħajja li tagħti lill-individwi l-għarfien, il-ħiliet u l-kompetenzi meħtieġa għal cittadinanza attiva, sodisfazzjon personali u impjegabbiltà. Fl-istess ħin, nibqgħu ffukati fuq it-tiżni ta' sistema li hija inkluziva, flessibbli u aċċessibbli għal kulhadd, b'mod partikolari għal dawk li jinsabu f'riskju ta' esklużjoni.

Matul l-ewwel ġimgħat tiegħi f'dan il-Ministeru, kelli l-opportunità napprezza aktar il-kontribut importanti li jagħti d-Direttorat għat-Tagħlim Tul il-Ħajja u l-Impjegabbiltà. Il-ħidma tad-Direttorat fil-komunità kompliet tikber u tadatta maż-żmien sabiex tiżgura li l-korsijiet offruti jibqgħu rilevanti, innovattivi u allinjati mal-ħtiġijiet ta' soċjetà li qed tevolvi kontinwament. Dan jirrifletti impenn ċar biex jibqa' jwieġeb għall-ħtiġijiet li qed jinbidlu kemm tal-partecipanti kif ukoll tas-soċjetà.

L-importanza tat-tagħlim tul il-ħajja qatt ma kienet akbar. Kemm jekk l-għan tiegħek huwa li ssaħħaħ il-ħiliet professjonali tiegħek, tiskopri interessi ġodda jew terġa' tqajjem kurżità li ilek iggorr miegħek, dan il-prospett huwa mfassal biex jilqa' għall-ħtiġijiet individwali tiegħek. Il-korsijiet tagħna huma żviluppati b'għarfien ċar li t-tagħlim huwa vjaġġ personali, u għalhekk nibqgħu impenjati li noffru opportunitajiet li jkunu kemm inkluzivi kif ukoll ta' sodisfazzjon. Nistidinkom tħaddnu din il-mixja ta' tagħlim tul il-ħajja – esperjenza li tiftaħ opportunitajiet ġodda għal kull min jaspira li jikber, jiżviluppa u jkompli jtejjeb lilu nnifsu.

Onor. Byron Camilleri

Ministru għall-Edukazzjoni u l-Isport

Message from the Minister for Education and Sport

Taking on this role as Minister for Education and Sport, I am guided by a firm belief that education must evolve in a way that it empowers every learner with the skills, support, and opportunities needed to thrive in a rapidly changing world. It is therefore with great pleasure that we present this Prospectus of Courses being offered by the Directorate for Lifelong Learning and Employability in learning year 2026/27. This portfolio of courses has been carefully created with the aim to encourage continuous growth at every stage of adult life.

In building on this vision, we are committed to continuing the strong foundations laid by the National Strategy for Lifelong Learning 2023–2030. Guided by this strategy, we will continue to foster a culture of lifelong learning that empowers individuals with the knowledge, skills, and competences needed for active citizenship, personal fulfilment, and employability. At the same time, we will remain focused on strengthening a system that is inclusive, flexible, and accessible to all, particularly those most at risk of exclusion.

While preparing this message, I came to better understand and appreciate the valuable contribution of the Directorate for Lifelong Learning and

Employability. Its work within the community has grown and adapted over time, ensuring that the courses on offer remain relevant, forward-looking, and aligned with the demands of today's evolving society. This evolution reflects a strong commitment to meeting the changing needs of learners and society. The value of lifelong learning cannot be emphasised enough. Whether your goal is to strengthen your professional abilities, discover new interests, or rekindle a long-held curiosity, our wide-ranging and well-structured prospectus is designed to suit your individual needs. Our courses are developed with the recognition that learning is a personal journey, and we are dedicated to offering opportunities that are both inclusive and rewarding.

I invite you to embrace this journey of lifelong learning—an enriching experience for all who aspire to grow and continually improve themselves.

Hon. Byron Camilleri

Minister for Education and Sport

Messaġġ mis-Segretarju Permanenti

L-edukazzjoni qatt ma kellha potenzjal ikbar biex tiftaħ il-bibien, tqanqal il-kreattività u tbidel il-ħajjiet daqs illum. Kemm jekk tixtieq terġa' tiskopri xi passjoni, tibni ħiliet ġodda, jew tieħu l-pass li jmiss fil-karriera tiegħek, dan il-prospett jistiednek tesplora opportunitajiet ġodda.

Il-Ministeru tagħna huwa impenjat li jipprovdi taġġilim inklużiv u ta' kwalità għolja għal kulhadd. L-Istrateġija Nazzjonali għat-Tagħlim Tul il-Ħajja 2023-2030, f'konformità mal-Istrateġija Nazzjonali tal-Edukazzjoni 2024-2030, tiffoka fuq tliet prijoritajiet ewlenin: id-diversifikazzjoni tal-mogħdijiet ta' aċċess, il-ħolqien ta' aktar opportunitajiet u l-iżgurar tal-kwalità. Parti integrali ta' din il-ħidma hija t-tiħiħ tal-ħiliet essenzjali bħall-Ingliż, il-Malti, il-litteriżmu diġitali u l-litteriżmu finanzjarju, dan filwaqt li jiġu offruti korsijiet ibbażati fil-komunità li jilħqu lin-nies fil-lokalitajiet tagħhom.

Qed ninvestu wkoll fi gwida ppersonalizzata sabiex l-istudenti jkunu jistgħu jagħmlu għażliet infurmati u jsegwu mogħdijiet li jgħinuhom jilħqu l-għanijiet tagħhom. Dawn l-isforzi jappoġġjaw il-miri nazzjonali ta' Malta, inkluż it-tnaqqis tal-għadd ta' persuni f'riskju ta' faqar, iż-żieda fl-impjiegi fost l-adulti u t-tkabbir tal-partecipazzjoni fl-edukazzjoni tal-adulti. Fl-istess waqt jirriflettu wkoll l-impenn komuni tagħna lejn

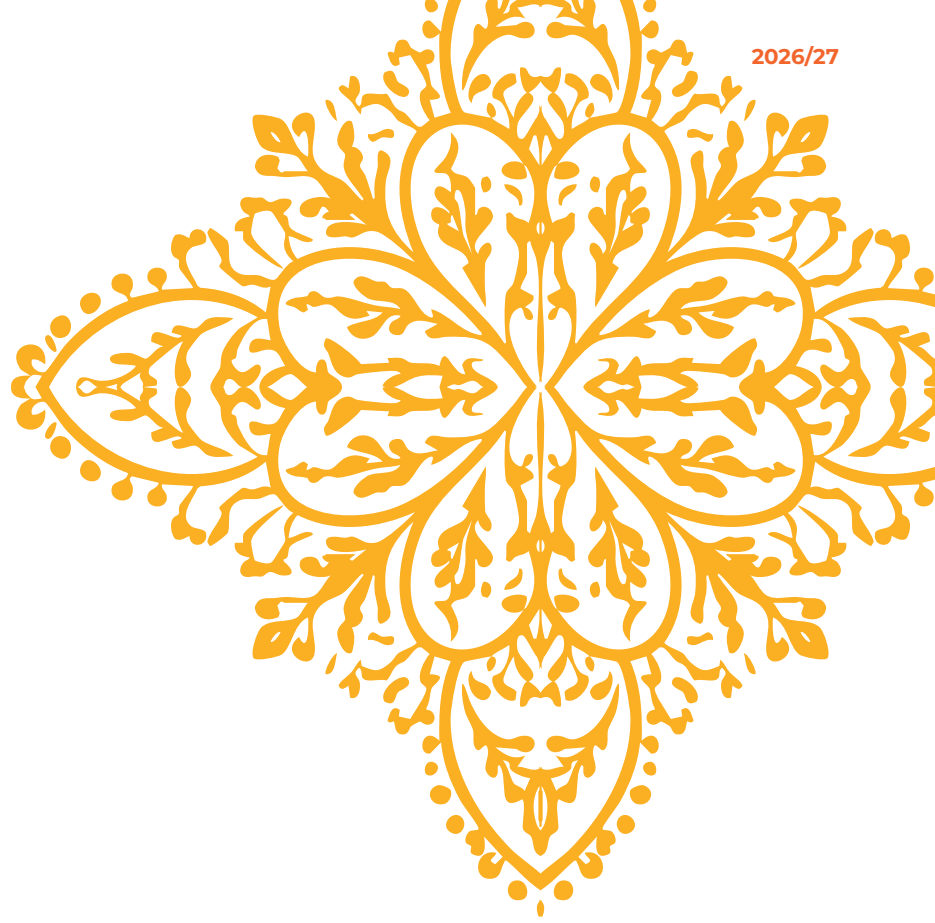

Għan 4 tal-Iżvilupp Sostenibbli (SDG4) tal-UNESCO: edukazzjoni ta' kwalità u taġġilim tul il-ħajja għal kulhadd.

Hekk kif tifli dan il-prospett, se tara l-impatt reali tat-taġġilim permezz ta' edukaturi li jgħallmu b'passjoni, studenti li jiskopru kapaċitajiet ġodda u individwi li jieħdu passi kuraġġużi lejn bidu ġdid. Dawn il-paġni jirrapprezentaw aktar minn korsijiet; juru mumentu ta' kurżità, tiħiħ u trasformazzjoni.

B'aktar minn 400 kors u aktar minn 8,000 applikant fis-sena li għaddiet, nistiednuk tingħaqad magħna. Kun ispirat, fittex opportunitajiet ġodda u ħu l-pass li jmiss fil-vjaġġ tat-taġġilim tiegħek. Huwa hawnhekk fejn se tikber fil-kunfidenza, tiffurma u tiżviluppa l-ambizzjonijiet tiegħek, u tibni futur aħjar.

Our Ministry is committed to providing inclusive, high-quality learning for everyone. The National Lifelong Learning Strategy 2023–2030, aligned with the National Education Strategy 2024–2030, focuses on three priorities: widening access, creating more opportunities, and ensuring quality. A key part of this work is strengthening essential skills, such as English, Maltese, digital literacy, and financial literacy, while offering flexible, community-based courses that meet people where they are.

We are also investing in personalised guidance so that every learner can make informed choices and follow pathways that match their goals. These efforts support Malta's national targets, including reducing the number of people at risk of poverty, increasing adult employment, and raising participation in adult education. They also reflect our shared commitment to UNESCO's Sustainable Development Goal 4: quality education and lifelong learning for all.

As you browse this prospectus, you'll see the real impact of learning through educators teaching with passion, learners discovering new strengths, and individuals taking brave steps toward new beginnings. These pages represent more than courses; they capture moments of curiosity, growth, and transformation.

With over 400 courses and more than 8,000 applicants last year, we invite you to join in. Be inspired, explore new opportunities, and take the next step in your learning journey. This is where confidence grows, ambition takes shape, and new futures begin.

EPALE in Malta

Why it matters to you as an adult learner

EPALE is the European Union's online community for adult learning. It is where educators and organisations across Europe share blogs, resources, events, discussion groups and partner search to improve the quality and reach of adult education. Although EPALE is built for professionals, it benefits learners by bringing better courses, materials and opportunities to Malta.

In Malta, the Directorate for Lifelong Learning and Employability (DLE) serves as the EPALE National Support Service (NSS). The NSS promotes EPALE locally through launches, webinars, ambassadors, contributor contests and the EPALE Malta Adult Education Awards, helping raise awareness and celebrate inspiring learning journeys — stories that often lead adults to take the next step into learning.

In 2025, EPALE content from Malta reached large audiences. Posts on the *EPALE Malta Awards and the Non-Formal Learning Opportunities Funding Scheme* attracted thousands of views, helping more adults discover real opportunities, courses and support.

How does EPALE support adult educators in Malta?

EPALE helps the Directorate for Lifelong Learning and Employability reach more adults and fulfill Malta's Lifelong Learning Strategy (2023–2030), by powering targeted outreach, local stories and ready-to-share resources; in practice, NSS Malta delivers this through ambassadors, webinars and content campaigns so the right information lands where it's needed most.

EPALE promotes an online community, and the promotion of non-formal and blended adult learning options. The two contributor contests and testimonial videos also help make Lifelong Learning visible. Through EU-level collaboration, quality-checked content, multilingual support and educator-focused events, EPALE equips Malta's providers to keep raising course quality for adults across Malta and Gozo.

Nota:

*Meta jiġu sottomessi l-applikazzjoni u l-ħlas, l-istudenti jirċievu imejl awtomatika li tikkonferma l-applikazzjoni u l-ħlas. Din l-imejl, sakemm l-uffiċċju tad-Direttorat ma jikkomunikax mod ieħor, għandha tiġi ttrattata bħala l-ittra ta' konferma biex tattendi l-kors u għandha tiġi pprezentata lill-edukatur fl-ewwel ġurnata tal-kors.

Dawk l-istudenti li ma jirċevux din l-imejl għandhom iċemplu 153 ext.14 jew jibagħtu imejl lil servizz@gov.mt minħabba li f'dal-każ l-applikazzjoni tagħhom ma tkunx ġiet sottomessa.

Applikazzjoni b'Mod Personali

L-applikazzjonijiet għandhom jintlaqgħu personalment fiċ-Ċentri tas-Servizz.gov u fl-uffiċċji tal-Kunsilli Lokali. Applikazzjonijiet mibgħuta bil-posta jew permezz tat-telefon mhux se jiġu aċċettati. Iċ-ċentri tas-Servizz.gov jaċċettaw ħlas kemm permezz ta' karta ta' kreditu/debitu kif ukoll flus kontanti, filwaqt li l-uffiċċji tal-Kunsilli Lokali jaċċettaw biss ħlasijiet b'karta ta' kreditu/debitu. Ċekkijiet mhumiex se jiġu aċċettati.

Drittijiet tar-reġistrazzjoni

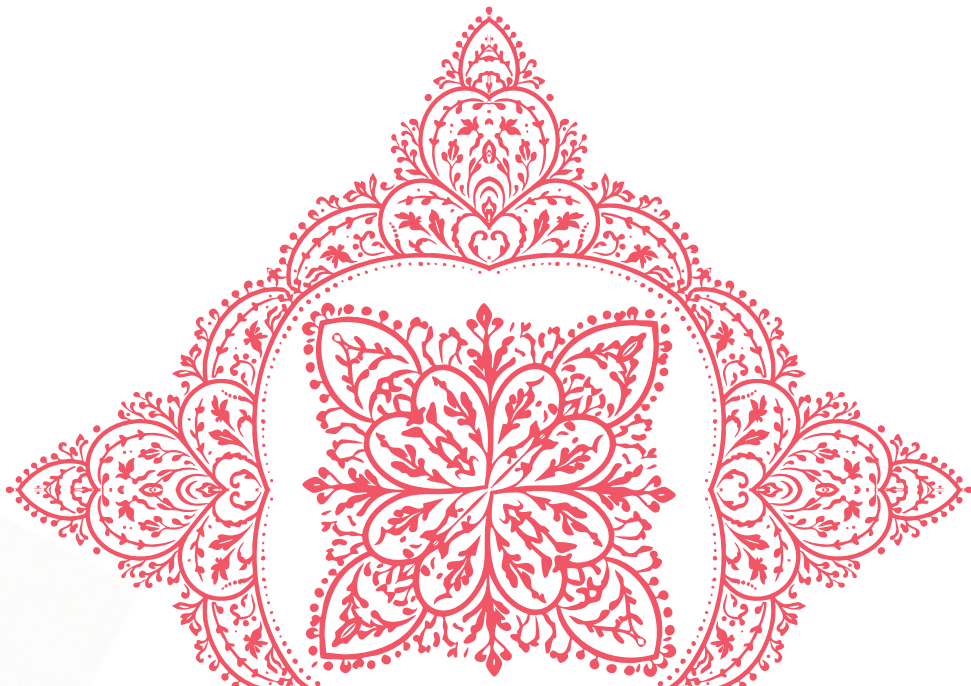

Ġentilment aqra t-termini u l-kundizzjonijiet li ġejjin bir-reqqa:

- Il-ħlas tar-reġistrazzjoni (fejn applikabbli) huwa indikat għal kull kors fit-tabella 'Overview' fl-applikazzjoni.
- Klassi tiftaħ biss jekk in-numru minimu ta' għaxar (10) studenti jintlaħaq fir-reġistrazzjoni għal dak il-kors. Id-Direttorat għat-Tagħlim tul il-Ħajja u l-Impjegabilità iżomm id-dritt li jbidel dan in-numru minimu ta' applikanti abbażi tal-importanza tal-kors.
- Dawk il-klassijiet li jispicċaw b'numru żgħir ta' studenti matul is-sena jistgħu jingħalqu u l-istess studenti għandhom jiġu offruti l-opportunità li jissieħbu ma' klassi oħra sabiex jiġi assigurat li qed jingħata servizz sostenibbli.
- L-applikanti jiġu rreġistrati skont id-data u l-ħin li l-applikazzjoni tkun saret onlajn. L-applikanti li japplikaw u jħallsu onlajn jiżguraw reġistrazzjoni immedjata.
- L-applikanti se jingħataw żewġ opportunitajiet biex iħallsu f'24 siegħa kull darba, sabiex jiffinalizzaw il-ħlas tagħhom. Jekk dan ma jintlaħaqx fil-ħin stipulat, l-applikazzjoni taqa' u l-applikant jitlef postu fil-klassi. Dawk l-applikanti li għal xi raġuni jesperjenzaw diffikultajiet biex iħallsu fiż-żmien huma m'hegħa biex jikkuntattjaw lil: lifelonglearning@gov.mt
- Dawk l-individwi li japplikaw f'isem persuna oħra għandhom idahhlu d-dettalji tal-individwu li se jagħmel il-kors, u mhux tagħhom, matul il-proċess kollu tal-applikazzjoni għaliex studenti b'isem ħaddiehor ma jiġux aċċettati fil-klassi.
- Persuni barranin li mhumiex uffiċjalment reġistrati bħala residenti f'Malta mhumiex eliġibbli biex japplikaw għal xi kors. Ċittadini barranin li japplikaw għal kors għandhom jipprezentaw id-dokumenti li jikkonfermaw li huma uffiċjalment residenti f'Malta skont il-liġi nazzjonali jew dik tal-Unjoni Ewropea. Ċittadini ta' pajjiżi terzi ma jistgħux jitolbu awtorizzazzjoni biex jibqgħu f'Malta għaliex ikunu applikaw jew qed isegwu xi kors offrut mid-Direttorat.

Eżenzjoni mill-ħlas tal-korsijiet

Il-persuni li għejjin huma eżentati mill-ħlas:

• L-anzjani minn sittin (60) sena 'l fuq jirċievu kors wieħed b'xejn għal kull sena ta' tagħlim. Għalhekk huma eżentati milli jħallsu għall-ewwel kors tagħhom, iżda jridu jħallsu l-miżati tal-korsijiet l-oħra kollha li japplikaw għalihom matul is-sena ta' tagħlim 2026-2027. L-ewwel kors jirreferi għall-ewwel kors li l-anzjani jkun aċċettati għalih, irrispettivament jekk jattendux jew le.

• Persuni li jirċievu benefiċċji soċjali jew għandhom il-Karta ta' Diżabilità Ewropea, jistgħu jitolbu eżenzjoni mill-miżati tal-kors billi jissottomettu d-dokumenti uffiċjali minn istituzzjonijiet rilevanti (l-Uffiċċju tas-Sigurtà Soċjali, CRPD, eċċ.) meta japplikaw. Din l-eżenzjoni għandha tinkiseb qabel ma jibda l-kors iżda jekk l-eżenzjoni tasal wara li jsir il-ħlas, l-applikant huwa intitolat għal rifużjoni.

Rifużjoni tal-miżati tal-kors

Għandek dritt tirtira minn kors u tiegħu rifużjoni tal-miżata li ħallast billi tinfurmana fi żmien erbatax-il jum mid-data li ħallast. Wara dan il-perjodu, il-ħlas lura tal-miżata jingħata biss f'każ ta' tibdil li jkun sar mid-Direttorat.

Jekk kors jiġi mwaqqaf mid-Direttorat, l-applikanti jingħataw lura l-ħlas kollu li jkun sar. Mhux se tingħata rifużjoni jekk l-applikanti nfushom jiddeċiedu li jieqfu mill-kors, irrispettivament jekk il-kors ikunx diġà beda jew le.

Barra minn hekk, l-applikanti huma avżati li:

L-istudenti jistgħu jitolbu trasferiment għal kors simili f'livell differenti fi żmien erbatax (14)-il jum mill-bidu tal-kors, soġġett għad-disponibilità. Jekk ma jkunx hemm kors addattat disponibbli għat-trasferiment, l-istudenti ma jkollhom dritt għall-ebda rifużjoni.

L-istudenti ma jstgħux jirreġistraw għall-istess suġġett f'żewġ livelli differenti fl-istess ħin. Jekk studenti jagħmlu dan, ma jkunux eliġibbli għal ebda rifużjoni.

L-istudenti jistgħu jattendu kors wieħed biss tal-istess suġġett u tal-istess livell. Jekk studenti jagħmlu dan, ma jkunux eliġibbli għal rifużjoni.

Nota:

Jekk l-istudenti m'humix ċerti dwar il-livell tal-kors addattat għalihom jew liema kors jaqbel l-aktar mal-bżonnijiet tagħhom, għandhom jikkuntattjaw lis-

Servizz ta' Gwida u Apogġ fuq guidance@lifelonglearning.edu.mt biex jingħataw rakkomandazzjonijiet li jgħoddu għalihom. Kwalunkwe deċiżjoni meħuda mingħajr ma jintuża dan is-servizz tista' taffettwa l-eliġibilità għal rifużjonijiet jew trasferimenti

L-età minima għar-registrazzjoni

L-applikanti jrid ikollhom ħmistax-il (15) sena jew aktar sal-31 ta' Diċembru 2026. L-applikanti ta' ħmistax-il sena jistgħu jattendu l-kors biss bil-permess tal-ġenitur/kustodju legali tagħhom. Il-ġenitur/kustodju legali jridu jniżzlu l-formola tal-kunsens mis-sit: lifelonglearning.gov.mt (ara t-taqsimha 'Priekwiżiti u Riżorsi' taħt 'Informazzjoni u Mistoqsijiet Komuni'). Il-formola trid timtela u tiġi ffirmata mill-ġenitur/kustodju legali u trid tiġi pprezentata lill-edukatur tal-klassi fl-ewwel jum tal-kors. Dawk l-applikanti li ma jkollhomx il-formola tal-kunsens iffirmata ma jstgħux jattendu l-kors. It-trasport tal-istudenti ta' ħmistax-il sena, lejn u lura mill-post tal-kors, huwa fir-responsabilità tal-ġenitur/kustodju legali tal-minuri.

Nota importanti:

L-applikazzjoni għall-kors għandu jkun fiha d-dettalji tal-istudent/a u mhux tal-ġenitur/kustodju legali.

Il-kalendarju

Il-biċċa l-kbira tal-korsijiet jibdedu fil-bidu ta' Ottubru 2026 u jispicċaw lejn l-aħħar ta' Mejju 2027. Xi korsijiet huma twal 5 jew 8 ġimgħat waqt li oħrajn huma 14-il ġimgħa. Aktar dettalji rigward korsijiet speċifiċi huma indikati fl-iskedi ta' dan il-prospett u fuq l-applikazzjoni onlajn. Ma jsirux lezzjonijiet f'dawn il-festi pubbliċi:

2 - 4 ta' Novembru 2026

19 ta' Marzu 2027

8 ta' Diċembru 2026

24 - 31 ta' Marzu 2027

23 ta' Diċembru 2026 -
6 ta' Jannar 2027

1 ta' Mejju 2027

8 - 10 ta' Frar 2027

Minħabba li ċ-Ċentri għat-Tagħlim tal-Adulti huma ospitati fi ħdan l-iskejjel tal-Istat, il-lezzjonijiet jistgħu jiġu posposti jekk l-iskola jkollha attività li ssir wara l-ħin normali tal-iskola jew jekk l-iskola tkun magħluqa minħabba xi raġuni partikolari. L-istudenti jiġu infurmati b'dan minn qabel.

Struttura tal-korsijiet, I-assessjar u I-linji gwida għall-partecipazzjoni

Il-livelli, iċ-ċertifikati u I-kwalifiki tal-korsijiet

Huwa importanti li l-istudenti jagħzlu l-korsijiet u l-livelli xierqa skont il-ħtiġijiet u l-kapaċitajiet tagħhom. Ir-rekwiżiti tad-dħul huma elenkati fil-'Programme Overview' aċċessibbli fuq is-sit lifelonglearning.gov.mt

Dawk l-applikanti li mhumiex ċerti mil-livell tagħhom għandhom jikkuntattjaw lit-tim ta' Gwida u Appoġġ.

Xi korsijiet għandhom rekwiżiti għad-dħul. Waqt ir-reġistrazzjoni, l-istudenti għandhom itellgħu kopja taċ-ċertifikati li juru li dawn ir-rekwiżiti huma mil-ħuqa.

Meta japplikaw għall-korsijiet ta' xi lingwi, matematika u l-accounting, l-applikanti huma meħtieġa li jpoġġu għal Level Check li jiddetermina l-livell tagħhom fil-lingwa. L-applikanti jirċievu imejl bid-dettalji ta' dan il-Level Check. L-istudenti mhux se jkunux aċċettati fil-klassi jekk ma jkunux lestew dan il-Level Check. Dawk l-istudenti li jkunux kisbu riżultat li jindika li l-livell tagħhom huwa differenti minn dak tal-kumplement tal-istudenti tal-kors, se jiġu kkuntattjati mit-tim ta' Gwida u Appoġġ. L-istudenti li diġà għandhom kwalifika fl-istess suġġett u li jixtiequ jkun eżenti minn dan il-Level Check, iridu jtellgħu prova tal-kwalifika huma u japplikaw għall-kors.

Ladarba l-kors ikun beda, dawk l-istudenti li jhossu li l-kors mhux fil-livell xieraq għalihom għandhom ikellmu lill-edukatur tagħhom minnufih. Persuni mid-Direttorat, inkluzi l-edukaturi u l-koordinaturi, jistgħu wkoll jindunaw b'persuni li qegħdin jitgħallmu f'livell mhux addattat u li jeħtieġu jkun f'livell aktar bażiku jew ogħla, jew anki f'kors differenti. F'dal-każijiet, dawn l-istudenti jkunux ggwidati biex jibdeu jattendu kors jew livell xieraq. L-istudenti li jkunux diġà temmew livell partikolari huma mħeġġa biex japplikaw għal kors ta' livell ogħla fl-istess suġġett.

Ittra ta' attendenza tista' tinħareġ biss lill-istudenti li jattendu mill-inqas 80% tal-lezzjonijiet. Ittra ta' attendenza ma timplikax li l-istudenti ġew assessjati u għandha tinħareġ biss lill-istudenti li jagħzlu li ma jsegwux l-assessjar jew fil-każ ta' korsijiet mhux akkreditati. Din l-ittra ta' attendenza tista' tintalab fi żmien sena minn tmiem il-kors u ma tistax tintalab għall-approvazzjoni ta' residenza temporanja jew permanenti. L-istudenti għandhom jibagħtu imejl

bit-talba tagħhom mill-inqas ġimagħtejn qabel fejn jiddikjaraw ir-raġuni għal din it-talba.

Fil-każ ta' korsijiet akkreditati li għandhom assessjar marbut magħhom, huma biss dawk l-istudenti li jattendu mill-inqas 80% tal-lezzjonijiet tal-kors li huma eliġibbli biex jiksbu ċ-Ċertifikat ta' Kwalifika.

Id-Direttorat joffri korsijiet f'diversi livelli:

Il-Livell Introdutturju

Dawn il-korsijiet huma mmirati lejn dawk l-istudenti b'diffikultajiet fil-litteriżmu, in-numeriżmu u l-ħiliet diġitali. Il-lingwa ewlenija tal-istruzzjoni ta' dawn il-korsijiet hija l-Malti.

Il-Qafas Malti tal-Kwalifiki Livell 1 tal-MQF, Livell 2 tal-MQF u Livell 3 tal-MQF

Dawn il-korsijiet huma mmirati lejn dawk l-istudenti b'diffikultajiet fil-litteriżmu, in-numeriżmu u l-ħiliet diġitali. Il-lingwa ewlenija tal-istruzzjoni ta' dawn il-korsijiet hija l-Malti.

Korsijiet ipprezentati bl-akronimu MQF ġew akkreditati mill-Malta Further & Higher Education Authority (MFHEA) u huma marbuta mal-Qafas Malti tal-Kwalifiki (MQF). Irreferi għat-tabella hawn taħt. Dawn il-korsijiet jiġu assessjati permezz ta' ħidmiet mogħtija matul is-sena ta' tagħlim. Il-marki miksuba f'dawn ix-xogħlijiet jingħaddu fl-aħħar tas-sena ta' tagħlim biex tinkiseb il-marka globali tal-kors. L-istudenti li jiksbu marka globali ta' 45% jew ogħla u li jissodisfaw ir-rekwiżiti tal-attendenza jingħataw ċertifikat li jkun rikonoxxut u akkreditat mill-MFHEA. Dan iċ-ċertifikat jista' jintuża biex titkompla l-edukazzjoni f'livell ogħla jew biex jiġi mfittex impjieg.

Korsijiet li m'għandhomx MQF miktub hdejn it-titlu għandhom mhumiex akkreditati. Madankollu, il-livelli tagħhom huma miktuba biex iservu bħala indikazzjoni tal-livell li mistenni jintlaħaq f'dawn il-korsijiet. Xi korsijiet bħalissa għaddejnin mill-proċess ta' akkreditazzjoni.

Id-Direttorat joffri wkoll korsijiet ta' revizjoni għall-eżamijiet tal-MATSEC: Livell Ordinarju (SEC), Livell Intermedju u Livell Avvanzat. Dawn huma korsijiet ta' revizjoni u b'hekk ma jkoprox is-sillabu kollu tal-eżami. Għalhekk l-istudenti li jirreġistraw għal dawn il-korsijiet huma mistennija li jkollhom għarfien minn qabel tas-suġġett.

Huwa rakkomandat li daww l-applikanti li ma jixtix jew li ma jistgħux jibqgħu jattendu għal xi kors, għandhom jinfurmaw minnufih lid-Direttorat sabiex il-kors jiġi offrut lil applikanti oħra eliġibbli fuq il-lista ta' stennija.

L-istudenti rreġistrati fil-korsijiet li jirrikjedu l-preżenza wiċċ imb wiċċ jew fil-korsijiet sinkroniċi onlajn, ikunu eliġibbli biss li jirċievu Ċertifikat ta' Kwalifika jew ittra ta' attendenza jekk jattendu 80% tal-kors.

L-applikanti b'diżabilità jew diffikultajiet fit-tagħlim huma mhegga jinfurmaw lid-Direttorat għat-Tagħlim Tul il-Ħajja u l-Impjegabilità (DLE) permezz tat-taqsima 'Health and Disabilities' fuq l-applikazzjoni jew billi jikkuntattjaw lit-tim ta' Gwida u Appoġġ.

Dan jinkludi, iżda mhux limitat għal, individwi b'diffikultajiet fit-tagħlim (eż. dislessija), nuqqasijiet fis-sensi (bħal daww tal-vista jew tas-smiġħ), sfidi ta' mobilità, jew diżabilitajiet oħra. Id-Direttorat jaħdem mal-istudenti biex jifhem il-bżonnijiet tagħhom u jiddetermina kif l-aħjar li jagħtihom appoġġ.

Suġġerimenti-u lmenti

Is-suġġerimenti u l-imenti huma importanti għalina. Kull Ċentru ta' Tagħlim għandu koordinatur assenjat miegħu. L-istudenti li jinnutaw xi problemi fiċ-Ċentru jew li jkollhom diffikultajiet fil-kors u jkunu jixtix jressqu lment jew jgħaddu xi suġġerimenti, huma mhegga sabiex:

- ikellmu direttament lill-edukatur jew lill-koordinatur,
- jibagħtu imejl fuq: lifelonglearning@gov.mt,
- jibagħtu s-suggerimenti -tagħhom billi jużaw il-'formola tas-suggerimenti' li tinsab fis-sit elettroniku www.lifelonglearning.gov.mt

Regoli u proċeduri

- Dawk l-istudenti li r-registrazzjoni tagħhom tiġi aċċettata, ikunu jridu jsegwu r-regoli u l-proċeduri maħruġa minn żmien għal żmien mid-Direttorat.
- Id-Direttorat jadotta politika ta' tolleranza żero lejn kull forma ta' diskriminazzjoni u nuqqas ta' rispett. L-istudenti li b'xi mod ifixklu l-klassi minħabba mgħiba mhux xierqa jew juru nuqqas ta' rispett kemm lejn l-edukaturi kif ukoll lejn l-istudenti fil-klassi, m'għandhomx jiġu ttollerati u jitkeċċew mill-kors.
- Studenti li jinstabu jattendu kors mingħajr ma jkunu ħallsu għalih (fejn applikabbli) jintalbu jirriżenjaw minnufih.
- Id-Direttorat ma jerfax ir-responsabilità jekk edukatur adult itemm is-servizz tiegħu. Madankollu, id-Direttorat se jieħu l-miżuri kollha meħtieġa biex jinstab edukatur bħala sostitut. Jekk dan tal-aħħar ma jkunx possibbli, l-istudenti jingħaqdu ma' klassi oħra tal-istess suġġett u livell.
- L-applikanti jistgħu japplikaw biss għal kors wieħed f'suġġett partikolari. Għalhekk, ma jistgħux japplikaw għal korsijiet ta' livelli differenti fl-istess suġġett. Ma tingħatax rifużjoni f'dak il-każ.
- L-applikanti tal-korsijiet tal-lingwi, l-Accounting u l-Matematika jeħtieġu jagħmlu Level Check biex naċċertaw li l-kors li jkunu applikaw għalih huwa addattat għalihom.
- Il-lingwi li bihom isiru l-lezzjonijiet fil-korsijiet kollha tad-Direttorat huma l-Malti u/jew l-Ingliż. Fil-każ ta' korsijiet ta' lingwa barranija u klassijiet tat-taħdit, il-lingwa tat-tagħlim tkun dik il-lingwa partikolari.

• L-edukaturi jistgħu jitolbu d-dettalji tal-kuntatt personali tal-istudenti, bħal numru tal-mowbajl, biex jiffaċilitaw il-komunikazzjoni. Huwa fid-diskrezzjoni tal-partecipanti jekk jagħtux din l-informazzjoni.

• Għal raġunijiet ta' saħħa u sigurtà, l-edukaturi jistgħu wkoll jitolbu d-dettalji tal-persuni qrib tal-istudent għal każ ta' emerġenza jew informazzjoni fuq kundizzjonijiet mediċi. Għandu jkun fid-diskrezzjoni tal-partecipanti jekk jagħtux din l-informazzjoni.

• Il-korsijiet li jwasslu għall-eżamijiet uffiċjali tal-MATSEC jiġu fi tmiemhom mad-data tal-eżami.

• Se jsir kull sforz biex tingħata informazzjoni preċiża dwar kull kors. Madankollu, id-Direttorat m'għandux jinżamm responsabbli għal xi żbalji jew informazzjoni nieqsa.

• Jistgħu jinholqu sitwazzjonijiet partikolari li mhux imsemmija jew spjegati f'dan il-prospett. F'dawn il-każijiet, id-Direttorat jirriserva d-dritt li jieħu deċiżjoni li jidhirlu xierqa fiċ-ċirkostanzi.

• Id-Direttorat iżomm id-dritt li jagħmel tibdil fl-orarju skont in-numru ta' applikanti u d-disponibilità tal-edukaturi. Mhux permess li jsir trasferiment minn kors għall-ieħor wara ġimagħtejn li jkun beda l-kors.

• Il-ġbir ta' flus mill-edukatur biex jiffinanzja kwalunkwe riżorsi meħtieġa mill-istudenti huwa strettament projbit. Jekk isir dan il-ġbir, l-istudenti huma mhegga jirrapportaw dan lill-koordinatur tagħhom jew jibagħtu imejl fuq lifelonglearning@gov.mt sabiex tkun tista' tittieħed azzjoni.

• Lista ta' materjal, għodod, apparat u kwalunkwe riżorsi oħra li jkunu se jintużaw fil-klassi, tintbagħat lill-istudenti permezz ta' imejl (għall-korsijiet li jsiru wiċċ imb wiċċ) jew tittella' fuq Microsoft Teams (għall-korsijiet sinkroniċi onlajn). L-istudenti jridu jiprintjaw in-noti d-dar jew f'hanut tal-għażla tagħhom u jixru kwalunkwe materjal jew apparat minn fejn jixtiequ. Hija fir-responsabilità ta' min qed jitgħallem li jara li jkollu l-materjal kollu meħtieġ biex effettivament isegwi l-lezzjoni.

Registration Rights

Kindly read the following Terms & Conditions carefully:

- Registration payment (where applicable) is indicated for each course in the 'Overview' tab.
- A class will only open if a minimum number of ten (10) learners register. The Directorate for Lifelong Learning and Employability reserves the right to change this minimum number of applicants based on the importance of the course.

- Applicants are registered according to the date and time received through the online system. Applicants applying and paying online ensure immediate registration.
- Applicants will be granted two opportunities, each lasting 24 hours, to complete their payment. Failure to do so within these timeframes will result in the application being reset, and the applicant will lose their place in the class. Applicants who may experience difficulty to pay within the allotted timeframes are encouraged to contact lifelonglearning@gov.mt
- Individuals applying for someone else need to input the learner details during the application process and not their own, as a learner with someone else's name will not be accepted in class.

Therefore, they are exempted from paying for their first course but must pay course fees for all subsequent courses applied for during the learning year 2026-2027. First course refers to the first course for which senior citizens are accepted, regardless of whether they attend or not.
- Persons receiving social benefits and holders of the European Disability Card may request exemption from course fees by submitting an official document from a relevant institution (Social Security Office, CRPD, etc.) when applying. This exemption is to be obtained before the course starts. If the exemption is received after the payment is made, the applicant shall be entitled to a refund.

Refund of course fees

You have the right to withdraw from a course and get a refund for fees paid by informing us within a 14-day cooling-off period beginning on the date you paid for the course. After this period a refund will be granted only in the case of changes made by the Directorate.

If a course is withdrawn or terminated by the Directorate, applicants will be refunded. No refunds will be given if applicants withdraw from the course, whether the course has already started or not.

Furthermore, applicants are advised that:

Learners may request a transfer to a similar course at a different level within fourteen (14) days of course commencement, subject to availability. If a transfer to a suitable course is not possible, learners shall not be eligible for a refund.

Learners cannot enrol in courses of the same subject at two different levels simultaneously. If learners do so, they will not be eligible for any refund.

Learners can attend only one course of the same level within the same subject. Learners who apply for more than one course of the same subject at the same level, will not be eligible for a refund.

Note:

If learners are unsure about the appropriate course level or have difficulty aligning the course overview

and objectives with their needs, they should contact the Guidance and Support Service at guidance@lifelonglearning.edu.mt for recommendations to select the most suitable course. Any decisions made without utilising this service may affect eligibility for refunds or transfers.

Minimum age for registration

Applicants must be aged fifteen (15) years or over by 31 December 2026. Fifteen-year-old applicants can only attend the course if their parent/legal guardian gives consent. Parents/legal guardians must download the consent form from the website: lifelonglearning.gov.mt (see the 'Pre-Requisites and Resources' section of the 'Information & FAQs'). The form must be completed and signed by the parent/legal guardian and must be presented to the class educator on the first day of the course. Applicants who do not have the signed consent form cannot attend the course. Transport to and from the course venue of the fifteen-year-old learners is the sole responsibility of the minor's parent/legal guardian.

Important Note:

The application for the course should contain the details of the learner and not those of the parent/legal guardian.

Calendar

Most courses start at the beginning of October 2026 and finish towards the end of May 2027. Some courses are 5 or 8 weeks long; others are 14 weeks long. Further details regarding specific courses are indicated in the timetables within this prospectus and on the online application. No lessons are held on these public holidays:

Course structure, assessment and participation guidelines

Course Levels, Certificates And Qualifications

It is important that learners choose the appropriate courses and levels that suit their needs and abilities. The entry requirements are listed in the 'Programme Overview' accessible through the website lifelonglearning.gov.mt

Applicants who are not sure of their level should contact the Guidance and Support Service.

Some courses have entry requirements. Certificates proving that these entry requirements are met must be uploaded with the application.

When applying for certain language, maths and accounting courses, applicants will be required to sit for a Level Check to confirm their appropriate level. Applicants will receive an email with details of their Level Check. Learners will not be accepted in class without having completed this Level Check. Learners who obtain a result that indicates that their level is different from the level of the course applied for will be contacted by the Guidance and Support Service. Learners who already hold a qualification in the same subject and who wish to be exempt from the Level Check must upload it when applying for the course.

Once the course has started, learners who feel that the course is not at the right level for them should speak to their educator immediately. The Directorate staff, including educators and coordinators, may also indicate that a learner is in the incorrect class level and requires to be in a lower or higher level or even in a different course. In such cases, the learner will be guided to start attending an appropriate course or class level. Learners who have already completed a level are encouraged to apply for a course of a higher level in the same subject.

A Letter of Attendance can only be issued to learners who attend at least 80% of the lessons. A Letter of Attendance does not imply that the learners have been assessed and is to be issued only to learners who choose not to follow the assessment or in the case of non-accredited courses. This Letter of Attendance can be requested within one year from the end of the course and cannot be requested for the approval of temporary or permanent residency. Learners are to

send an email with their request at least two weeks in advance stating the reason for such a request.

In the case of accredited courses which have assessment, only learners who attend at least 80% of the course lessons are eligible to obtain a Qualification Certificate.

The Directorate offers various course levels:

Introductory Level

These courses target learners with difficulties in literacy, numeracy and digital skills. The main language of instruction of these courses is Maltese.

Malta Qualifications Framework MQF Level 1, MQF Level 2 and MQF Level 3

Courses presented with the acronym MQF have been accredited by the Malta Further & Higher Education Authority (MFHEA) and are pegged to Malta's Qualifications Framework. Please refer to the table below. These courses are assessed through tasks assigned throughout the learning year. The marks obtained in the tasks are summed up at the end of the learning year to obtain a global mark for the course. Learners who get a global mark of 45% or higher and who meet the attendance requirements will be given a certificate which is recognised and accredited by the MFHEA. The certificate can be used to access higher levels of education or to seek employment.

Courses without the MQF acronym are not currently accredited. However, the levels are included as an indication of the level one can expect to reach through these courses. Some courses are currently undergoing the accreditation process.

The Directorate offers revision courses for MATSEC examinations: Ordinary Level (SEC), Intermediate Level and Advanced Level. These are revision courses and do not cover the entire syllabus of the examination, thus learners who register for these courses are expected to have prior knowledge of the subject.

Level	Accreditation
Introductory	Not accredited
Introductory A	Accredited
Introductory B	Accredited
Open Class	Not accredited
Level 1	Not accredited
Level 2	Not accredited
Level 3	Not accredited
MQF1	Accredited
MQF2	Accredited
MQF3	Accredited / Preparation course for ICDL (Workforce)
MQF4	Accredited / Preparation course for ICDL (Advanced)

Livell Intermedju	Revision classes
Livell Avanzat	Revision classes

External Examinations

Educators will give learners more information about the exams and how to apply.

Learners must apply for MATSEC exams through the official MATSEC website. The application period opens at the end of October and usually remains open for around two weeks. A late application period is also offered, subject to a fee. All dates are made public on the MATSEC website and other media channels.

Learners attending SEC classes and who do not possess a valid School-Based Assessment (SBA) mark must apply for MATSEC examinations as Private Candidates and sit for two (2) examination papers set by MATSEC. Those who have a valid SBA mark should select the school where they obtained it and will be

required to sit for 1 (one) examination paper only. MATSEC will obtain the SBA mark directly from the school.

Learners wishing to sit for ICDL Exams (MQF 3 or MQF4) can apply in two ways: either through the Examinations Department or through any ICDL institute of the learner's preference.

Open Classes

Open Class courses are intended for learners who have already acquired substantial knowledge and skills in the particular craft and would like to further their competencies through the pooling of knowledge with others in the same craft.

Online synchronous courses

Learners who apply for online courses will be using the Microsoft Teams portal. Each learner will have a Lifelong Learning email address and password generated.

- Learners need to know how to use the Microsoft Teams and access their @lifelonglearning email to follow online courses. Otherwise, they must follow one training session on how to use them prior to the start of lessons. Learners will receive an email inviting them to this training session.
- Learners attending online courses should always keep their camera on during the lessons for effective participation.
- Recording of all sessions will take place to help learners with their learning. However, these cannot replace the actual online sessions. Each learner must attend 80% of sessions to be able to receive a Qualification Certificate or Letter of Attendance.
- Online courses may also have a face-to-face component during the learning year.
- Learners who are absent for three consecutive lessons without any prior written justification sent to the educator will be removed from the Microsoft Teams Class. These learners will not be allowed to follow recordings.
- Any misuse of session recordings will be prosecuted.

Self-paced courses

Learners can enrol at any time until 15 March 2027 and complete the course at their own pace until 31 May 2027. More information may be found at: www.learningbox.edu.mt

Attendance

Regular attendance of course sessions is of utmost importance for the learning process. It is strongly advised that applicants who do not wish or who cannot start attending for a course, are to immediately inform the Directorate, so that the course will be offered to an eligible applicant on the waiting list.

Learners enrolled in in-person courses or synchronous online courses will only be eligible to receive a Qualification Certificate or Letter of Attendance if they attend 80% of the course.

Those enrolled in the courses Flexible for Shift Workers are to attend at least 40% of the live sessions and at least 40% of the recorded lessons.

Facilities

The Directorate for Lifelong Learning and Employability runs Learning Centres within State schools used for mainstream education in the morning. The Directorate also delivers courses in collaboration with Local Councils and NGOs in other venues.

Participants are to take good care of the classrooms, laboratories and other facilities within the Learning Centres. The Centres are to be kept clean at all times. Smoking is prohibited in all Centres.

The Directorate shall not be held responsible for the maintenance of Centres/schools that do not fall directly under its remit.

Assistance for persons with disabilities or learning difficulties

Applicants with disabilities or learning difficulties are encouraged to inform the Directorate for Lifelong Learning and Employability (DLE) through the 'Health & Disabilities' section of the application form or by contacting the Guidance and Support Service.

This includes, but is not limited to, individuals with learning difficulties (e.g. dyslexia) sensory impairments (such as visual or hearing impairments), mobility challenges, or other disabilities. The Directorate will then work with the learner to understand their needs and determine how best to support them.

Suggestions and complaints

Suggestions and complaints matter to us. Each Adult Learning Centre has a coordinator assigned to it. Learners who notice any problems at the Centre or have difficulties with the course,

and would like to file a complaint or make suggestions, are encouraged to:

- speak directly to the educator or coordinator,
- send an email to: lifelonglearning@gov.mt,
- submit their suggestions by using the “suggestion form” available on the website www.lifelonglearning@gov.mt

Rules and procedures

- Courses covering SEC, Intermediate or Advanced Level are revision courses and hence the syllabus is covered at a rather fast pace.
- Learners whose registration is accepted, will need to follow the rules and procedures issued from time to time by the Directorate. The Directorate adopts a policy of zero tolerance towards any form of discrimination and disrespect. Learners who disrupt the class in any way due to inappropriate behaviour or show disrespect towards both educators and learners in class, shall not be tolerated and will be dismissed from the course.
- Participants found attending a course without having paid (where applicable) shall be asked to resign immediately.
- The Directorate does not assume responsibility if an adult educator terminates his or her service. However, the Directorate will take all the necessary measures to find a replacement educator. If the latter is not possible, the learners will be merged with another class of the same subject and level.
- Applicants can only apply for one course in a particular subject. Therefore, they cannot apply for multiple courses of the same subject, even if these are at different levels. Applicants pursuing courses in Languages, Accounting and Mathematics will be required to undertake a Level Check to make sure that the course is suitable for them.
- The languages of instruction in all DLE courses are Maltese and/or English. In the case of Foreign Language Courses and Conversation Classes, the language of instruction is also that particular language.
- Educators are allocated to different courses by the Directorate. Applicants must note that they are applying for a particular subject and cannot be placed in a class with a particular educator.
- Educators may ask for learners' personal contact details, such as a mobile number, to facilitate communication. It is at the participants' discretion whether to give such information.
- For health and safety reasons, educators may also ask learners to provide information regarding next of kin or medical conditions. It shall be at the participants' discretion whether to give such information.
- Courses leading up to official MATSEC examinations will come to an end upon the date of examination.
- Every effort will be made to give precise information about each course. However, the Directorate is not to be held responsible for any errors or missing information.
- Particular situations not highlighted in this prospectus may arise. In such cases, the Directorate reserves the right to take a decision that it deems fit under the circumstances.
- The Directorate reserves the right to make changes to the timetables depending on the number of applicants and availability of adult educators. Changing from one course to another is not allowed after two weeks of commencement of the course.
- Money collection by the educator to fund any of the resources required by the learners is strictly prohibited. If such collection is done, learners are encouraged to report these instances to their coordinator or by sending an email on lifelonglearning@gov.mt so that action may be taken accordingly.
- A list of course notes materials, tools, equipment and any other resources used in class is sent to learners via email (for in-person courses) or uploaded on Teams (for synchronous online courses). Learners must print notes at home or at a stationery of their choice and purchase any materials or equipment from a shop of their choice. It is the learner's responsibility to ensure that they have all the necessary materials to effectively follow the lesson.

Learner/Entrepreneurship

Jien kelli negozju żgħir u meta rajt li stajt nistudja l-Enterpreneurship iddeċidejt li nidhol għal dan il-kors biex insaħħaħ in-negozju u nibni xi ħaġa għda. Dan kien kors interessanti ħafna u m'hemmx bżonn tkun tifhem fil-qasam biex issegwih għax l-għalliema jgħinuk tibni n-negozju mill-bidu nett. Il-fatt li kien onlajn ħajjarni iktar għax iffrankali milli noqgħod kull darba nsuq u neħel fit-traffiku. Kont nagħmel il-kors anki waqt li nistenna lit-tifla tagħmel l-attività tagħha billi kont nieħu l-laptop fil-karozza u nsegwih minn hemmhekk. Kien hemm interazzjoni kontinwa bejn il-partecipanti u l-għalliema. Dan żammni aktar motivata biex nibqa' nsegwi l-kors. Jekk ma tidholx għal dan il-kors, ma tistax tkun taf x'inhuma l-abiltajiet tiegħek. Nissuggerixxi li ma taqtax qalbek u tapplika għal dan il-kors għax jista' jwasselek f'postijiet fejn qatt ma kont taħseb li kapaċi tasal.

I had a small business, and when I realised I could study entrepreneurship, I decided to enrol in this course to strengthen my business and build something new. It turned out to be a very interesting course, and you don't need any prior knowledge in the field to take it, because the educators guide you to build a business from scratch. The fact that it was online really encouraged me, as it saved me from having to drive and deal with traffic. I even attended the lesson on my laptop in the car while waiting during my daughter's activities. There was constant interaction between the participants and the educators, which kept me motivated to continue. If you don't take this course, you will never discover what you're capable of. I highly recommend enrolling for this course because it can take you further than you ever thought possible.

Learner / Beading Techniques

Meta nktibt għall-kors kont digà ilni madwar erba' snin naħdem fuq materjal differenti biex noħloq il-ġojjellerija. Hemm ħafna affarijiet li tista' tagħmel biż-żibeġ, minn biċċiet sempliċi sa ornamenti aktar elaborati. Fil-ġojjellerija hemm ħafna materjal li tista' tuża u tgħaqqad flimkien. F'dan il-kors issib informazzjoni li diffiċli ssibha xi mkien ieħor għax mhux biss tmur biex titgħallem iżda ssir parti minn komunità.

Before enrolling I had been working with different media for around four years to produce jewellery. There are many things you can create - from simple pieces to more elaborate ornaments. In jewellery, there are many materials you can use and combine together. Here you will find information that is hard to find anywhere else, because you don't just come to learn, but also to become part of a community.

Learner / Fretwork

Minn dejjem xtaqt nagħmel xi haġa artistika u manwali. Din is-sena, waqt li kont qed inqalleb il-prospett, qrajt li kien se jiġi offrut il-kors tal-Arkett, u mill-ewwel tħajjart napplika. Meta tkun għadek tibda jaf tħossok mitluf imma hekk kif tibda tidra l-għodda u t-teknika tibda tapprezza kemm hu sabiħ l- artigjanat. Fil-kors konna qisna familja: kulhadd jitgħallem minn xulxin u mill-esperjenzi ta' xulxin . Tiskopri tekniki differenti u tkompli tiżviluppa l-ħiliet tiegħek.

I've always wanted to do something artistic and hands-on. This year, while I was looking through the prospectus, I saw that the Fretwork course was being offered, and I immediately felt encouraged to apply. When you're starting out, it can feel a bit overwhelming but only until you get used to the tools and techniques. Once you begin to find your rhythm, you start to truly appreciate the beauty of craftsmanship. During the course, we were like a family: we learned from one another and from each other's experiences. You get to explore different techniques and continue developing your skills.

Dan il-kors dejjem xtaqt nagħmlu għax qatt ma kelli l-opportunità meta kont iżgħar. Il-kors tani ħafna informazzjoni, speċjalment dwarna bħala bnedmin u kif ingibu ruġna fis-soċjeta'. Nemmen li huwa importanti li nżommu moħħna attiv, anki meta navvanzaw fl-età.

L-edukaturi huma eċċellenti u l-kollegi li jattendu dan il-kors jieħdu sehem b'mod attiv. Dan jagħmel it-tagħlim iktar interessanti. Qabel tibda xi ħaġa ġdida, taf tħoss ċerta biża', iżda ladarba tagħmel l-ewwel pass, l-affarijiet jibdeu jieħdu x-xejra tagħhom kważi awtomatikament. Dan għaliex l-għalliema jgħinuk u jagħmlulek kuraġġ biex tkompli timxi 'l quddiem.

I had always wanted to take this course, because I never had the opportunity to do so when I was younger. The course gave me a lot of information, particularly about human behaviour and how we interact within society. I believe it is important to keep your mind active, even as you grow older.

The educators are excellent, and the colleagues attending this course participated actively, making learning more interesting. Before starting something new, a person may feel apprehensive, but once you take the first step, things begin to take their course almost automatically. This is because the educators support and encourage you to keep moving forward.

Learner / Maltese as a Foreign Language

Peress li għażilt lil Malta bħala l-pajjiż fejn ngħix, inħoss li għandi nitgħallem ftit aktar dwar il-lingwa u l-kultura tagħha.

L-edukaturi jagħtuna ħafna għajjnuna. Huwa l-mod perfett biex toħloq rabta mal-poplu Malti u titgħallem dwar il-kultura. Żgur li jiswa dan l-isforz, anki jekk fil-bidu jista' jinħass diffiċli.

Since I chose Malta as my home, it would be fair to learn a bit more about its language and the culture.

The educators are always very supportive. It is the perfect way to connect with Maltese people and learn about the culture. It's definitely worthwhile, even if it feels challenging at first.

Learner / English as a Foreign Language for Business

Diġà kelli żewġ lawriji universitarji, iżda ma kontx kunfidenti mil-livell tal-Ingliż tiegħi, speċjalment fil-qasam tan-negozju. Il-kors tani l-għajnuna meħtieġa biex intejjeb il-livell tiegħi u nsir aktar kunfidenti biex nikkomunika b'mod effettiv fix-xogħol tiegħi.

Nemmen li huwa importanti ħafna li meta tiġi opportunità bħal din teħodha biex ittejjeb l-Ingliż tiegħek. Din żgur kienet esperjenza siewja ħafna għalija.

I already had two university degrees, but I wasn't confident about my English, especially in a business context. This course helped me improve my level and increased my confidence in conversations, so that I can communicate more effectively at work.

I believe that it's very important to take opportunities like this when they come up, as they help you improve your English. This has definitely been a valuable experience for me.

Exploring different religious and secular traditions and worldviews

Il-kors huwa dwar religjonijiet differenti u huwa interessanti ħafna għax anki jekk tiltaqa' ma' xi ħadd minn kultura differenti tkun tista' tifhem ir-religjon tiegħu. Bħala eżempju, tgħallimt li riti tar-religjon tal-Induwizmu jinkludi kemm il-kant, bhal waqt il-quddies, kif ukoll iż-żfin.

Jiena nipprova nlaħħaq max-xogħol u l-famiilja, u dan is-Self-Paced Course kien ideali għax stajt nagħmlu bil-kwiet, f'ħin li hu komdu għalija. Li titgħallem huwa għalik u ħadd ma jista' jeħodhulek

The course is about different religions, and it is fascinating, because even if you meet someone from a different culture, you can understand their religion. For example, I learned that Hindu religious rituals include not only singing, as in the Catholic Mass, but also dancing.

I need to manage my work and family, and this self-paced course was ideal for me because I can do it calmly, at a time that suits me. What you learn is for yourself, and no one can take that away from you.

Mind, Body, Heart and Spirit: A holistic approach.

Minn dejjem kont inħobb il-psikoloġija, u dan is-suġġett jinteressani, speċjalment minħabba li jiffoka fuq il-benesseri. Il-kors jinkludi aspetti emozzjonali, mentali u spiritwali b'mod ħolistiku. Ma tħossokx waħdek għax l-edukatur verament jgħinek u jirrispondi għad-domandi tiegħek filwaqt li huwa utli ħafna li titgħallem ukoll mill-kummenti tal-parteciċipanti l-oħrajn.

I have always been intrigued by psychology, and this subject really appeals to me especially because it focuses on well-being. The course includes emotional, mental, and spiritual aspects in a holistic way. You don't feel you are in this course alone, because the educator really helps you and responds to your questions, while it is also insightful to learn from the comments of the other participants.
